Touch a Life

Through the Home Health United - Visiting Nurse Service Foundation, you are able to touch lives in a very meaningful way. Founded in 1999, the Foundation is the fundraising arm of Home Health United (HHU) and gives people the opportunity to support the multitude of services HHU offers to keep people healthy and living independently in their homes.

Gifts to the Foundation have played a vital part in many HHU programs such as:

- ♡ The Hospice program
- ♡ Meals on Wheels deliveries
- ♡ Nursing & therapy services
- ♡ Home medical equipment
- ♡ Technological advancements

Please contact the Development office at (608) 276-7590 for further information.
